RE: St. David Springs, L.L.C. – Application for Cancellation of Certificate of Convenience and Necessity (CC&N) Docket No. W-20460A-13-0004
INSUFFICIENCY LETTER #2

Dear Ms. Dessy:

In reference to the above mentioned application filed on January 4, 2013, and the supporting documents filed on March 11, 2013, this letter is to inform you that the application still has not met the sufficiency requirements as outlined in the Arizona Administrative Code. The deficiencies are:

1. Please provide the water use data for all the customers including your property for the last 12 months.
2. For the Customer that owns a horse trough: (a) Please provide evidence of alternative water service to the Customer; (b) Please provide a statement from that Customer indicating if she has any objection and where she intends to get water for the horse trough; and (c) Please provide the Customer's name, address, and phone number.
3. According to your March 8, 2013 response, filed on March 11, 2013, "...neither of thetwo customers have received water from St. David Springs, LLC since February 1, 2013 and are served by their own sources." During a Conference Call held with Commission Staff (Mr. Del Smith and Ms. Blessing Chukwu), Ms. Diana Dessy confirmed that Company has terminated service to the two customers since February 1, 2013. Staff informed Ms. Dessy that it is a violation of Commission's rule to terminate service to the Customers without first obtaining Commission's approval. Please explain why the Company terminated service to the Customers without first obtaining Commission's approval.

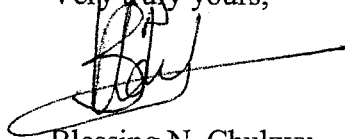

Staff would like to use this opportunity to bring the following to your attention:

- Pursuant to the Arizona Administrative Code ("A.A.C.") R-14-2-411(C), upon meeting sufficiency requirements, the Commission has 150 calendar days for its substantive review. This includes conducting a hearing and preparing Opinion and Order to present to the Commission at an Open Meeting; and
- Pursuant to A.A.C. R14-2-411(C)(3), Staff may terminate an application if the applicant does not remedy all deficiencies within 60 calendar days of the notice of deficiency.

Please file your response to this Insufficiency Letter with Docket Control.

If you have any questions concerning this matter, please do not hesitate to contact me at 602-542-0840 or Del Smith at 602-542-7277.

Very truly yours,

Blessing N. Chukwu
